

THE BRITISH FLAG

OTHERWISE KNOWN AS THE
THE UNION FLAG OR THE UNION JACK

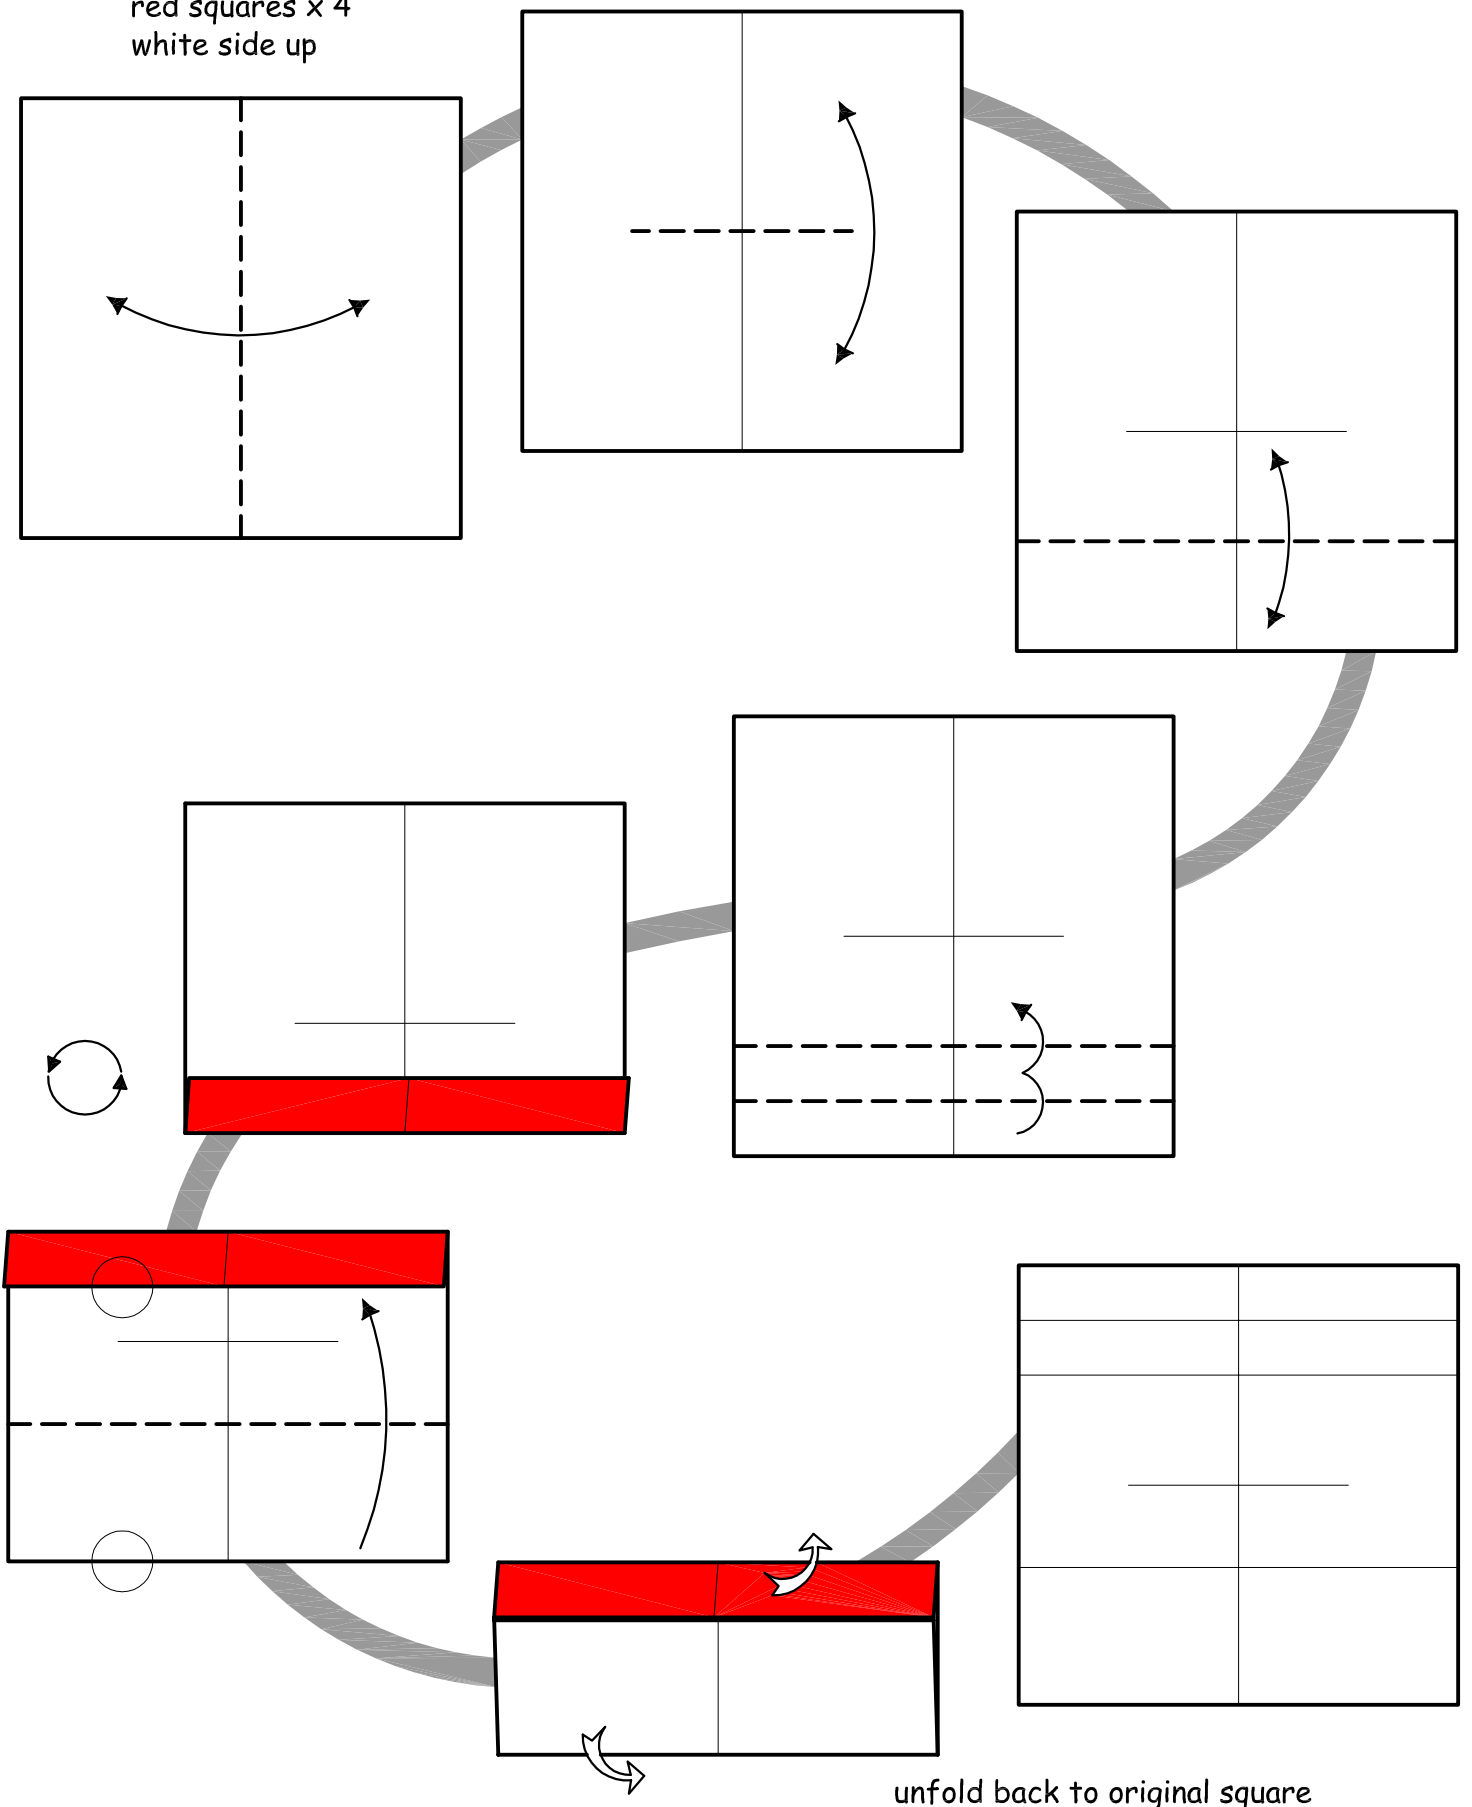

ORIGAMI ADAPTATION AND DRAWING BY MICK GUY

THE UNION FLAG BY MICK GUY

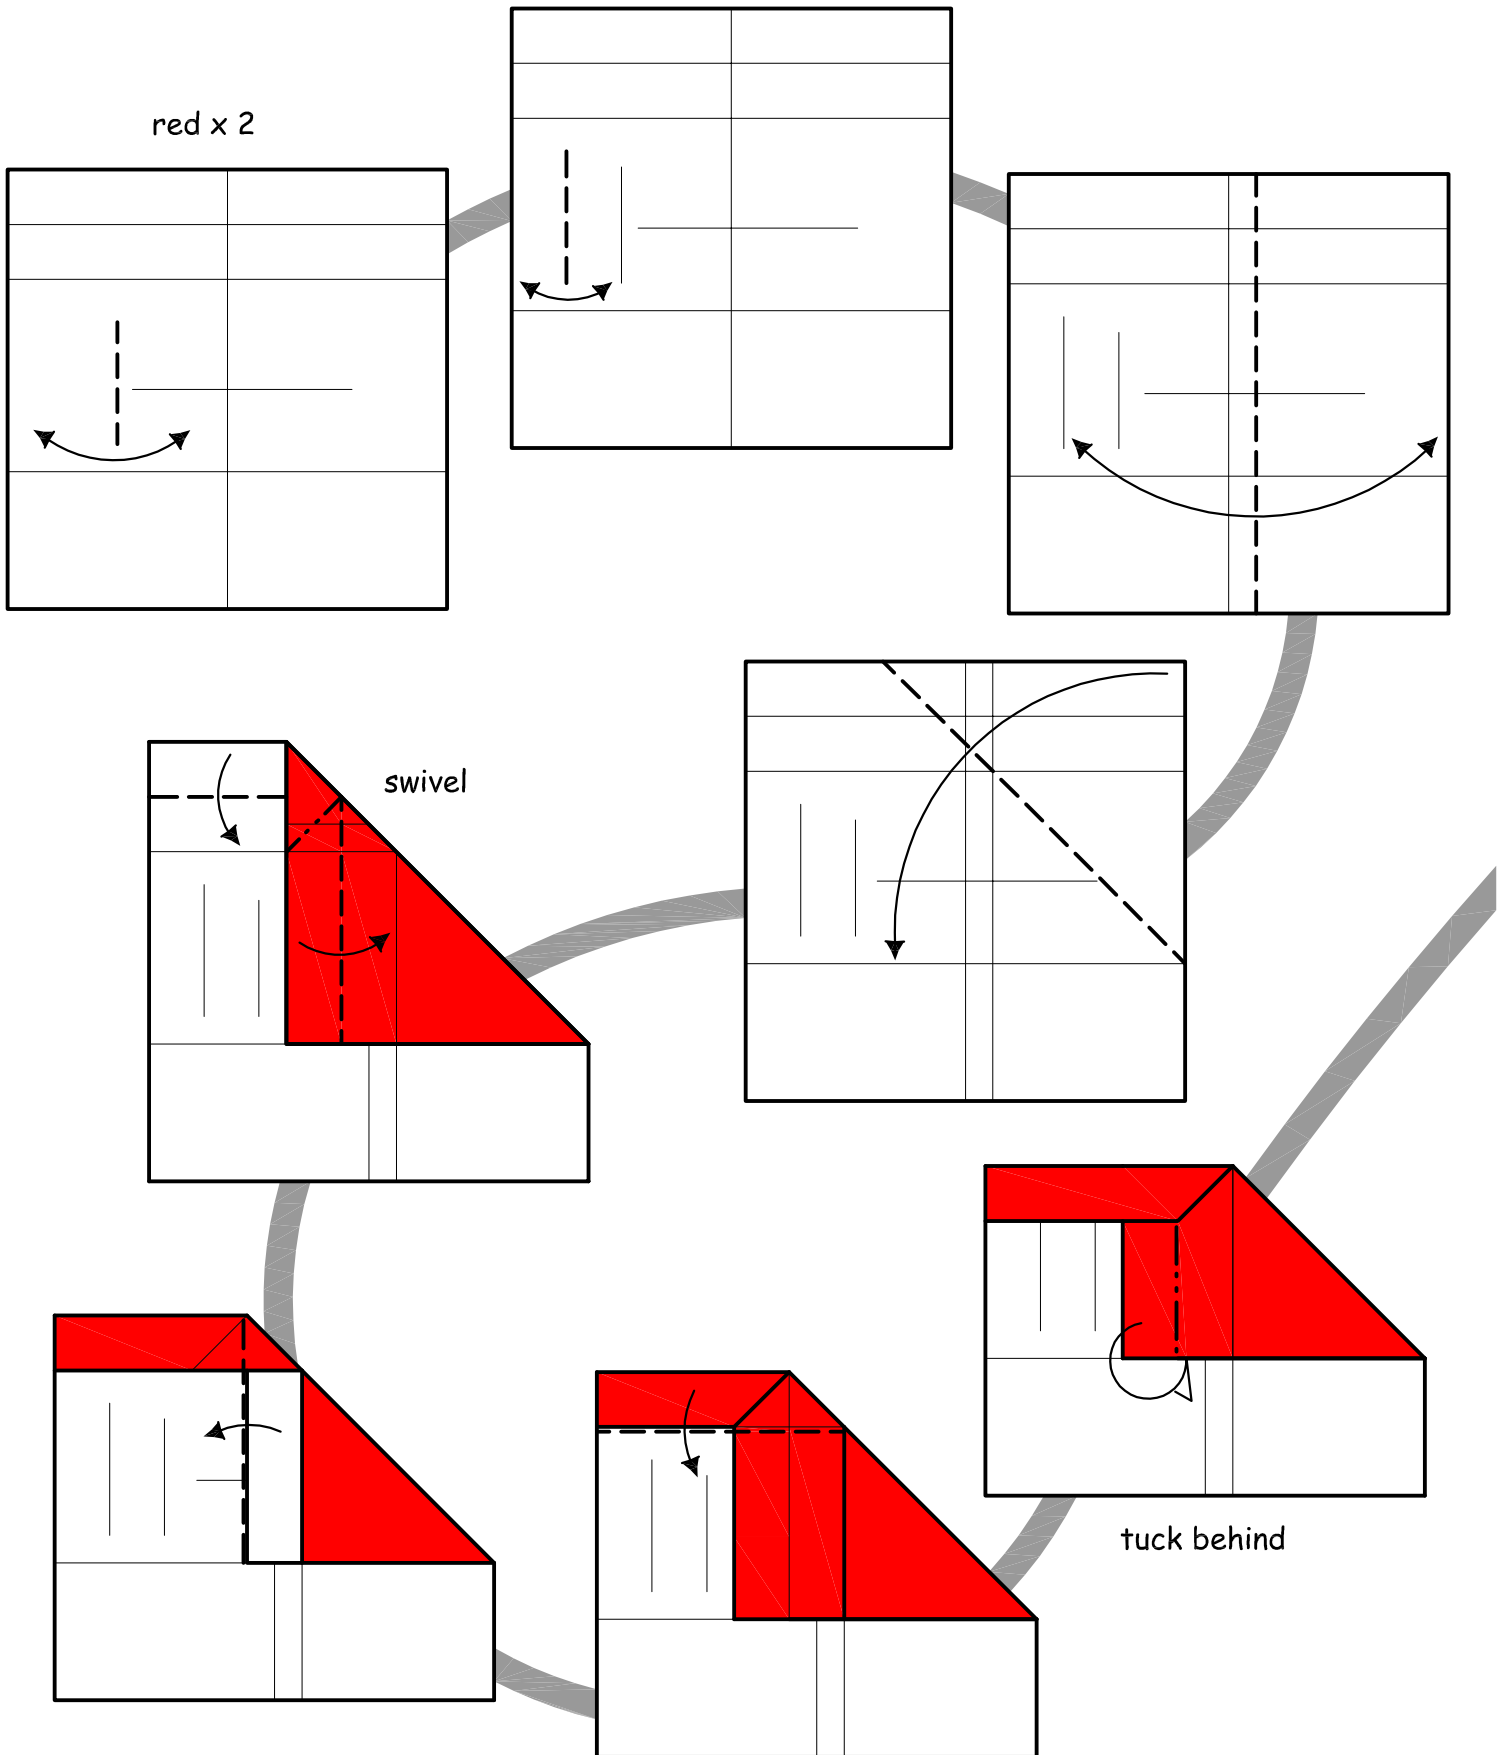

The flag comprises four modules and each requires a red and a blue 15cm square.
The resulting flag size will be about 17cm x 13cm (6.75" x 5")

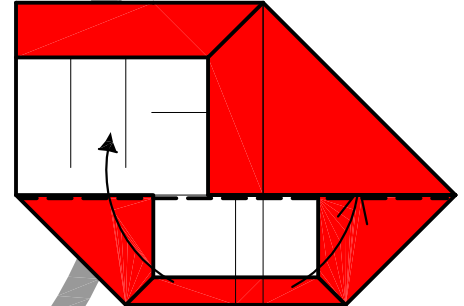

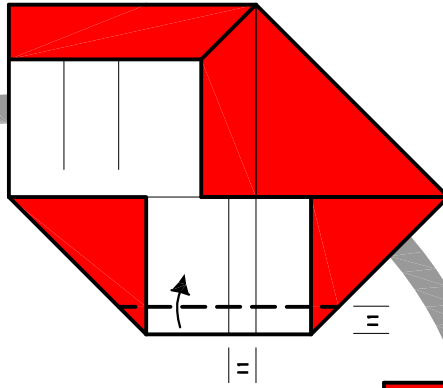

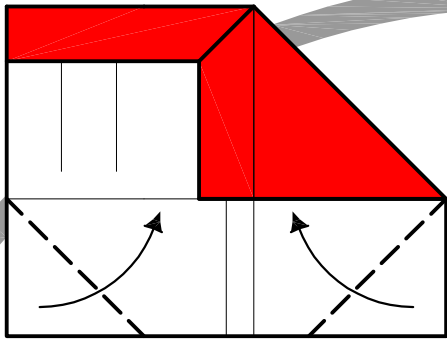

red squares x 4
white side up

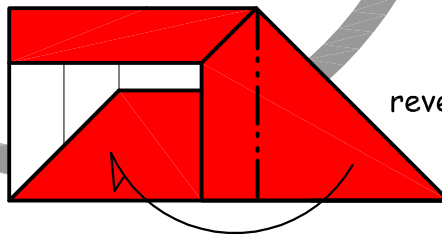

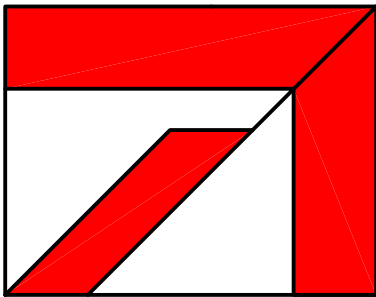

THE UNION FLAG PAGE 3

This sequence makes the bottom left and top right modules
(St. George and St. Patrick's Crosses)

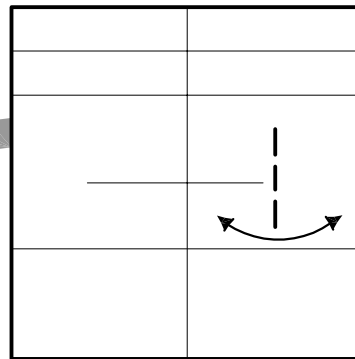

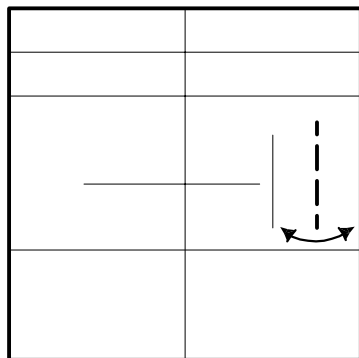

tuck inside

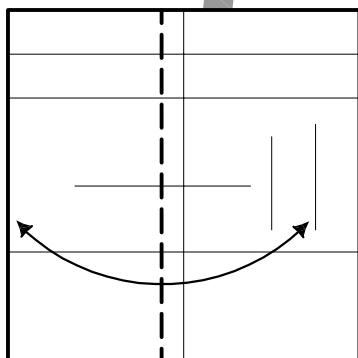

reverse

bottom left and top right module completed two required

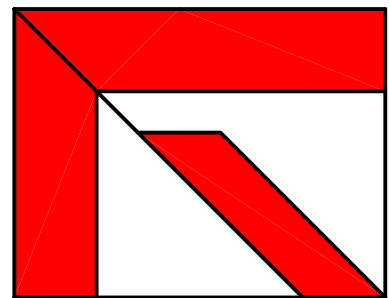

use a mirror sequence to fold the other two modules. see page 2

red x 2

(St. George and St. Patrick's Crosses)

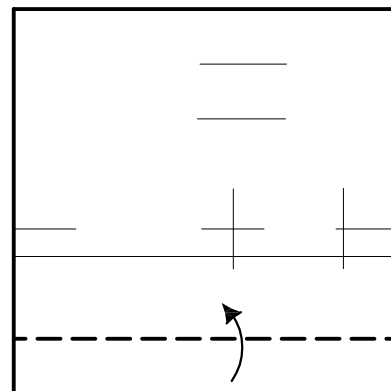

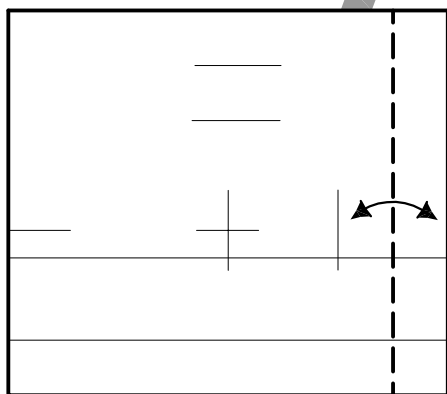

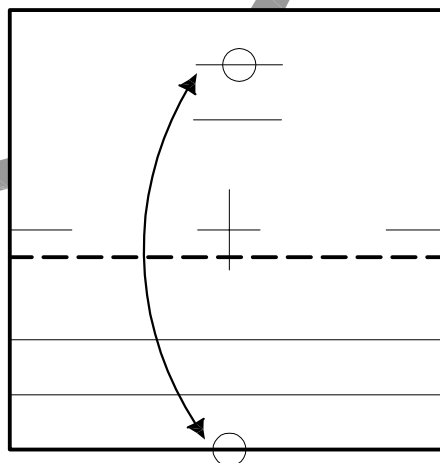

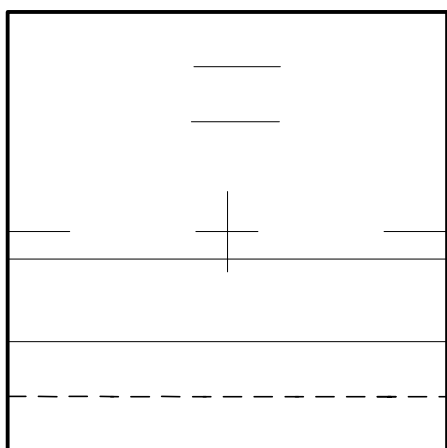

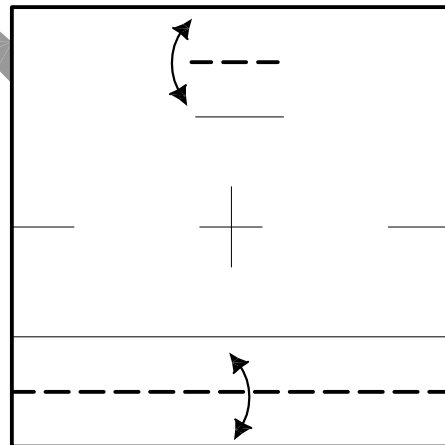

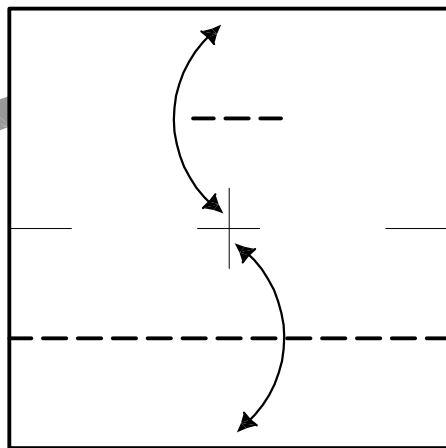

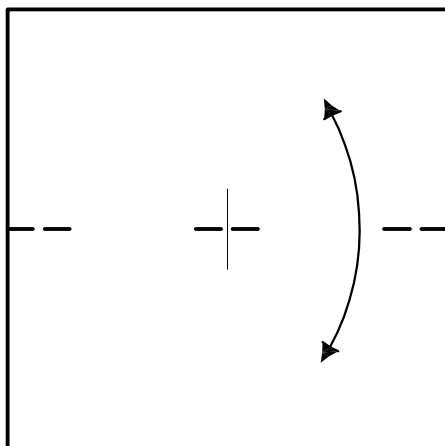

and so on.....

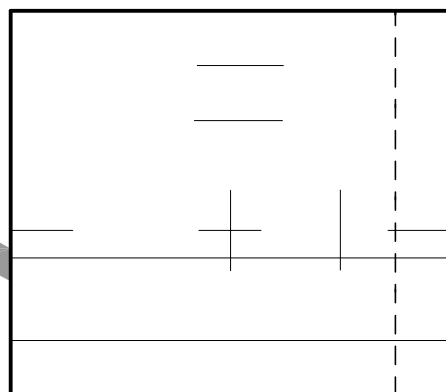

bottom right and top left module completed two required

(St. Andrew's Cross)

blue squares x 4
white side up

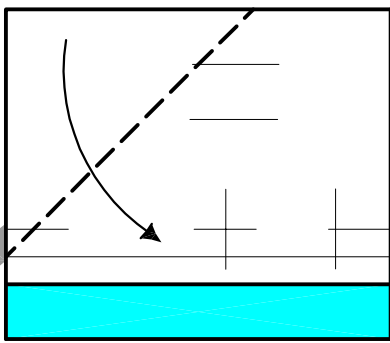

repeat the bottom
steps on the right
hand side, but don't
fully crease at the
quarter mark

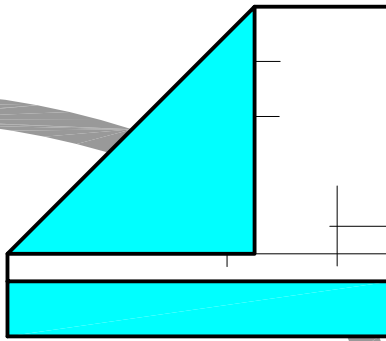

trim back to a square

(St. Andrew's Cross)

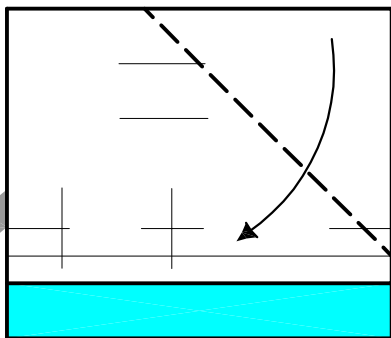

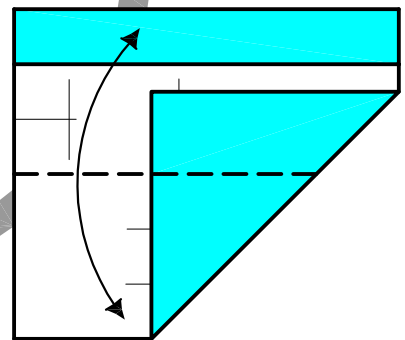

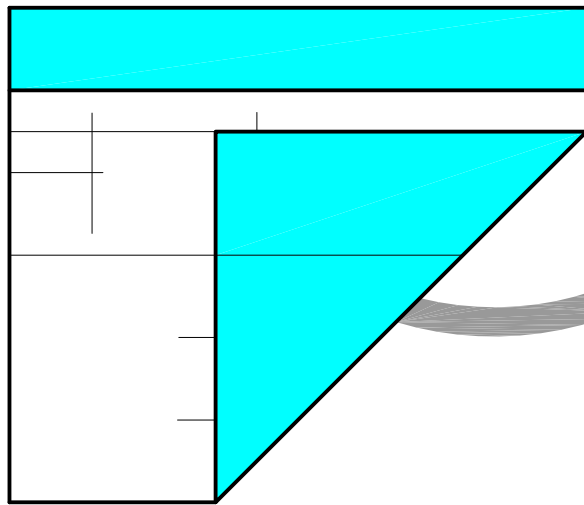

x 2

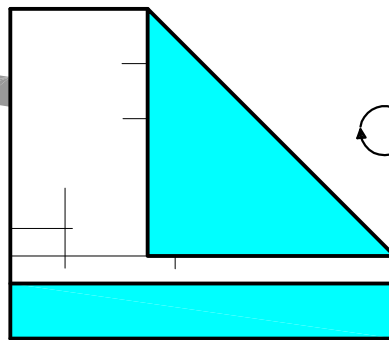

completed

for assembly with
bottom left and top
right two required

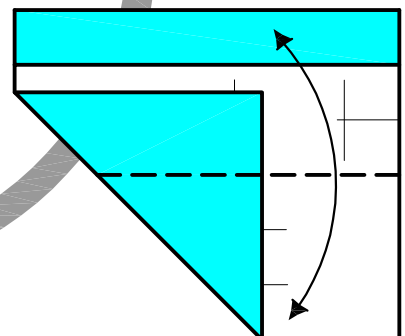

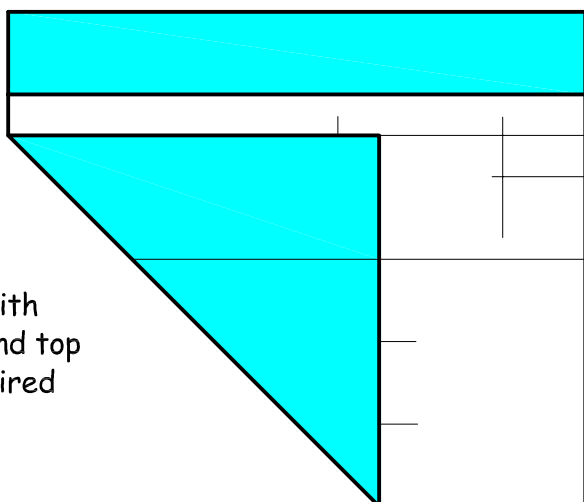

x 2

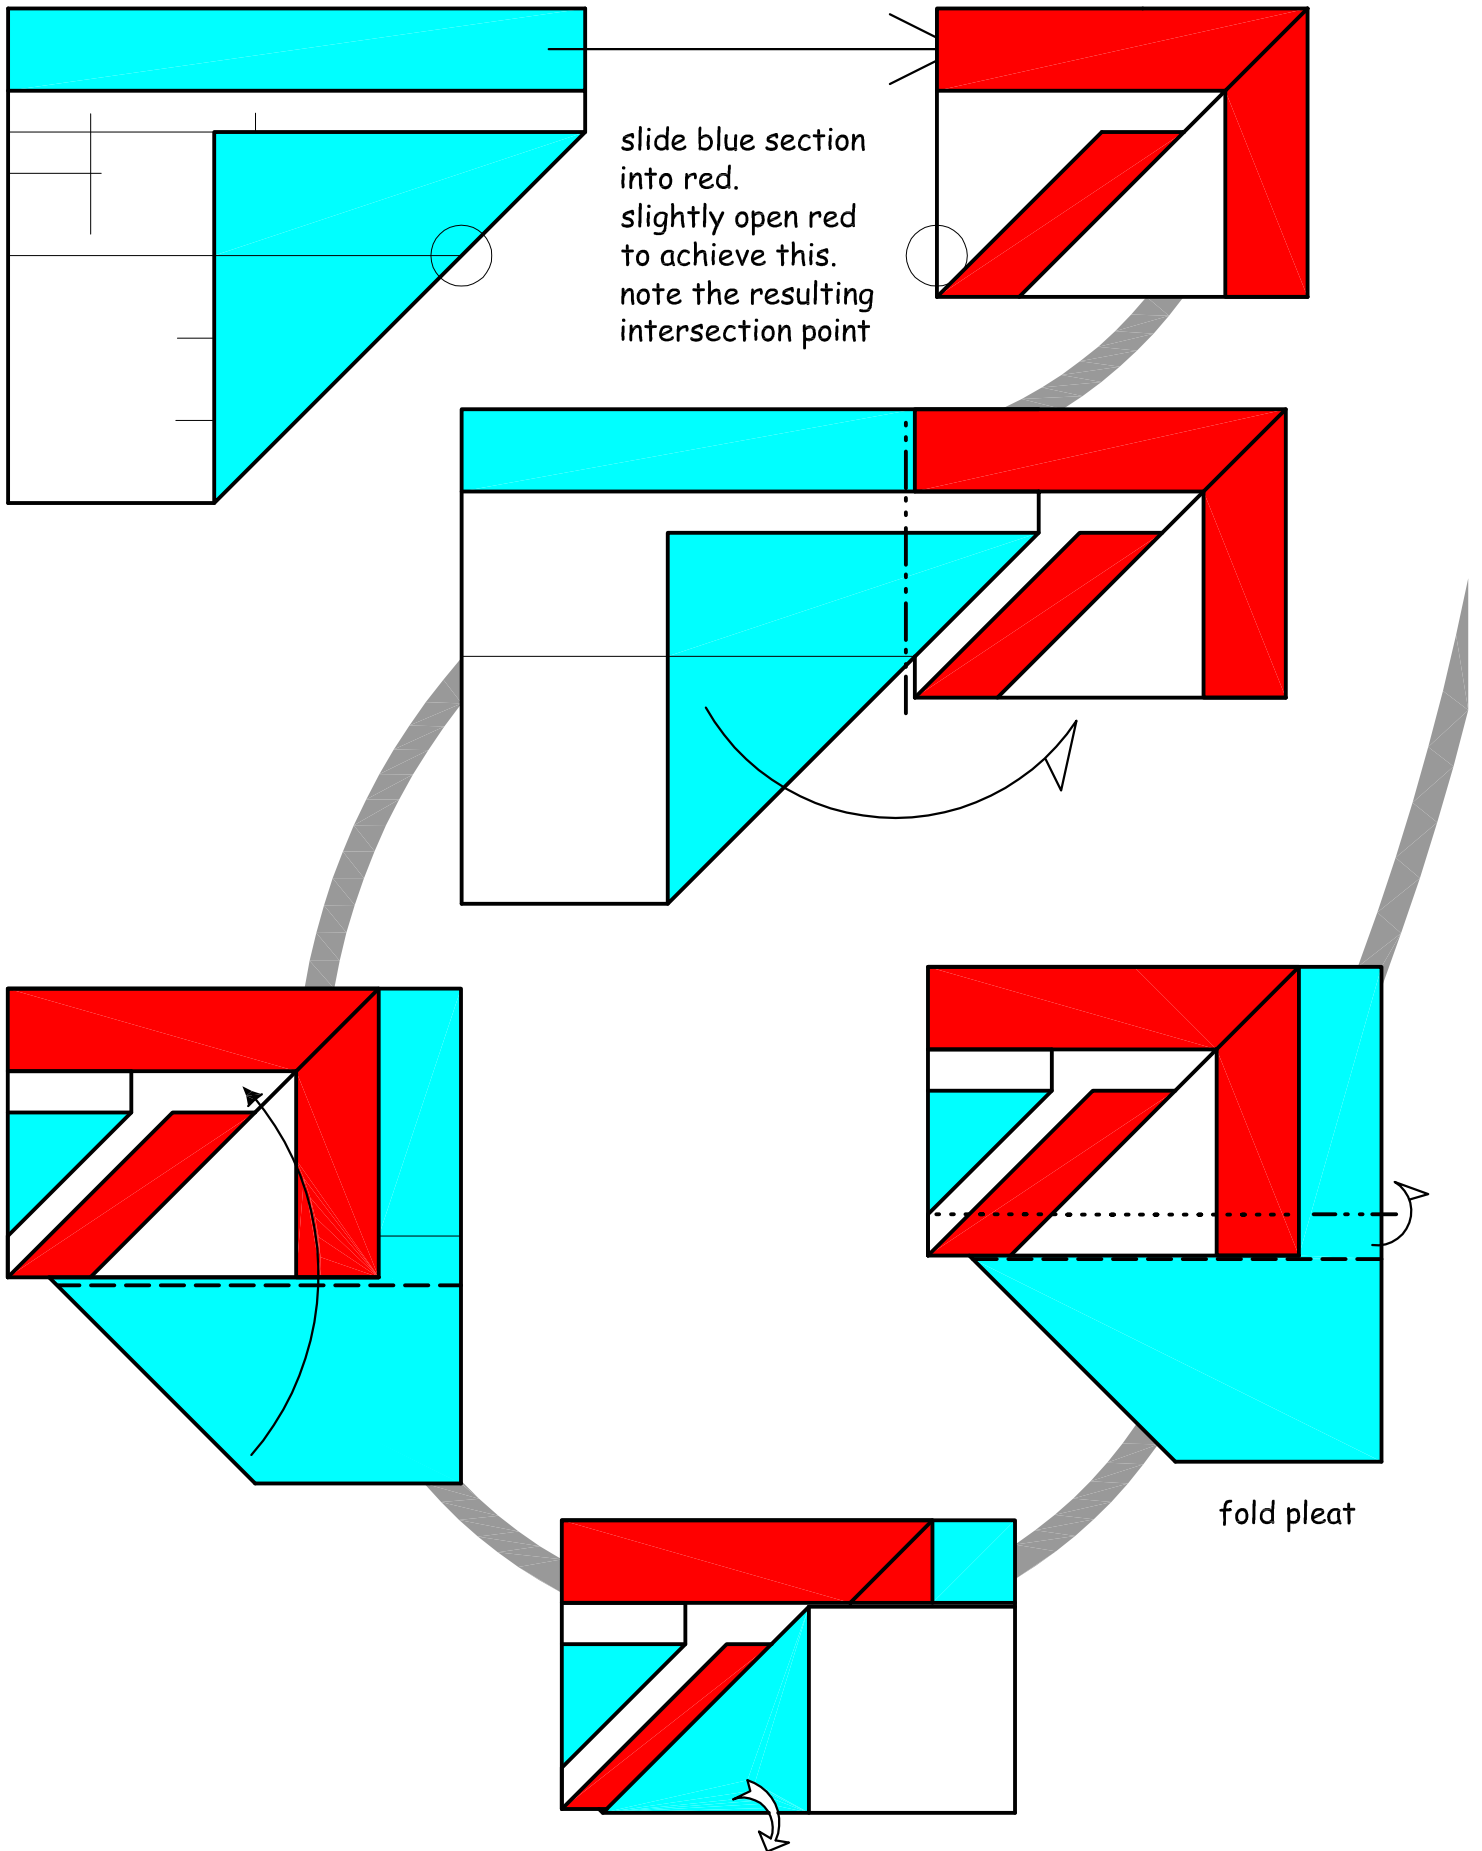

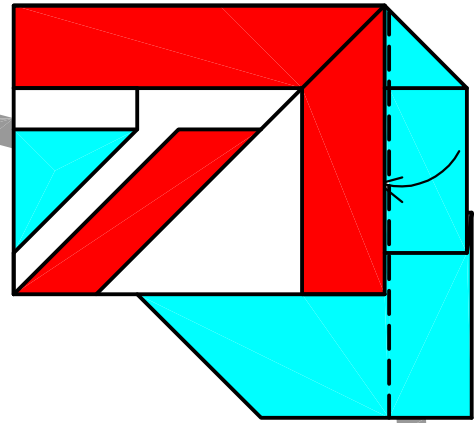

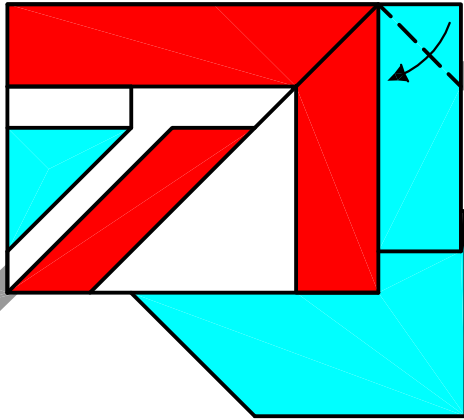

completed

for assembly with
bottom right and top
left two required
